Do you have any medical conditions, allergies, disabilities or past injuries that may affect your participation? Yes No

If yes, a separate medical condition management plan should be discussed.

Any other requirements (e.g. gear, notepads, pencils, etc):

I understand that:

- This role is a volunteer role and there is no minimum or maximum participation requirements
- This role is hands on, requiring physical activity (walking) and bird watching knowledge (and binoculars). An OH & S induction will be undertaken prior to monitoring.
- My details will be held by the Network for the purposes of informing this project only
